Increase your Bookings
Easy to use and dependable booking engine technology for direct bookings
The simple grid display coupled with two click booking process will attract and enable visitors to book instantly with your property. Significantly increase direct bookings with eZee Reservation's stable booking technology and 24X7 access. Furthermore, quick booking summary shows all the relevant details on the same screen.

Customization Freedom
Freedom to customize every detail to match your website
eZee Reservation seamlessly blends with your website and every little detail can be customized to match the look and feel. Add images of the rooms in the image gallery, map for the property for proper directions for your guests and additional plug-ins for your website.

Generate Higher Revenue
Increase revenues by selling extra products and services
Build strong customer loyalty through specialized packages and allow your guests to do bookings on their mobiles while on the move. Offer guests to add extra products and services such as airport pick-up, Wi-Fi, etc, thus increase value of each booking. In addition, Facebook integration gives you presence in the social media sphere as well.

Go Global
Global options give you global presence
eZee Reservation offers tones of options such as multi language and multi currency, which gives you access to guests all over the world. Expand your clientele to new international markets.

In Depth Analysis
Track the market movement
eZee Reservation provides tools through which you will be able to check the market momentum and understand the trends. Get distinct advantage of tools that such as comprehensive reports and visitor statistics that will help you to shape your future marketing campaigns accordingly. Measurement of Return on Marketing will enable you to make sound business decisions.

Multiple Interfaces
Easy Integrated Software Management
eZee Reservation can be easily integrated with your PMS and channel manager. With Payment Gateway, your guests will have many options to make the payment making it easier for your analysis and financial records.
Why eZee Reservation?

Unlimited Commission Free Bookings
The best aspect of eZee Reservation is that as a hotel owner, you will no longer have to pay commissions on the bookings to any travel agents increasing your ROI.

Channel Manager
With a built in channel manager, you can get access to all the tools required to manage all your rates and inventory across all the connected OTA’s and booking websites. In addition, eZee Reservation has ready interface with SiteMinder and ResOnline channel managers.

Plug-in for your Website
eZee Reservation integrates organically with your hotel’s website giving your guests an uniform booking experiencing.

Smartphone Support
eZee Reservation is Smartphone friendly, giving your guests a superior experience on their devices and they are able to directly book with your hotel without any hassles.

Central Reservation System
Central Reservation System (CRS), feature in eZee Reservation will allow hotel chains to easily switch between all the connected hotel locations and view the booking status individually.

PMS Integration
eZee Reservation can be easily interfaced with your PMS and have ready interface with eZee FrontDesk, allowing your guests to view up-to-date availability at your hotel.

Facebook Integration
Add book now facility to your hotel’s Facebook page, eZee reservation integrated with Facebook gives your guests the ability to book with your hotel directly from your hotel’s Facebook page.

TripConnect Premium Partner
eZee being a TripConnect Premium Partner, allows hotels to showcase their rates and availability on the hotel’s TripAdvisor profile showcasing direct link to hotel’s website. It gives hotels incredible opportunity to increase revenues by sending travelers directly to hotel’s online booking page.
